ENROLMENT & GUIDANCE EVENINGS: See dates on back cover.

If you are not available on these dates, call us to arrange an appointment on 020 8420 7700.

I & IA Some courses require an interview and/or initial assessment to establish the appropriate course and level. To find out more please call the College on 020 8420 7700.

FOR COURSES THAT DON'T REQUIRE AN INITIAL ASSESSMENT OR INTERVIEW:

HOW TO ENROL IN PERSON: Come along to the College. If you are eligible for a concessionary fee you must bring proof of benefit. You must bring your passport / Home Office documents to enrol onto courses leading to a recognised qualification.

HOW TO ENROL BY TELEPHONE: If you are paying a full fee **for courses not leading to a recognised qualification** and your course doesn't require completion of medical/disability forms, you can enrol over the telephone with your credit card on 020 8420 7700.

How much will it cost?

A = standard fee B = reduced fee C = full cost fee

COURSE FEES ARE STATED ALONGSIDE EACH COURSE ON PAGES 4 TO 27.

THE STANDARD FEE is for UK and EU residents and provides a tuition fee partially subsidised by the government.

THE REDUCED FEE is completely subsidised by the government for those courses leading to a qualification and partially subsidised for leisure courses. Examination fees and materials are payable in full where applicable. This fee is for those in receipt of means-tested benefits, those enrolling on a full level 2 course for the first time, first time level 3 students under 25 and certain other categories. Please ask for more details.

THE FULL COST FEE is applicable to courses which are not eligible for government subsidy and for nationals of countries outside the EU.

Free level 2 courses: If you do not already have a full level 2 qualification, you will not have to pay tuition fees for many level 2 and 3 courses (denoted by *). Please ask for advice. In some cases other fees may apply.

Reduced Fees: Reduced fees (denoted by 'B') apply in the following circumstances:

If you receive any means tested benefit including:

Job Seekers Allowance
Income Support
Working Tax Credit
Disability Allowance/Incapacity benefit
Housing benefit
Council Tax benefit (not single occupancy)
Guaranteed Pension Credit

Additional Charges: As well as paying the course fee, students may need to purchase additional materials such as books, uniforms, or tools. For more information, see the relevant course information sheet, available online (www.stanmore.ac.uk) or by calling us on 020 8420 7700 (minicom 020 8420 7803) or emailing enquiry@stanmore.ac.uk.

Exam Fees: Some courses require an exam or assessment fee which you will have to pay in full when you enrol. You may also have the opportunity to take an exam on 'leisure courses'. If you chose to do this an exam fee will also be required to be paid in full after the course has started.

Withdrawals: Following four consecutive absences, you may automatically be withdrawn from your course. It is advisable to contact the College as soon as possible in the event of absence.

Cancellations: The College has the right to cancel classes at any time. Every effort will be made to contact you in such an event.

Refunds/Transfers: It is important that you are sure before enrolling that your chosen course is suitable for you. If in doubt, contact us to check and seek advice before committing to a course. Our refunds/transfer policy states that refunds will only be given in the following circumstances:

i) Where the College cancels a course before it starts, course fees will be refunded in full.

ii) Where the College receives written notice three days before a course has commenced that a student wishes to withdraw, an administrative charge (£7) will be deducted from the refunded amount.
